

## STUDENT SPONSORSHIP POLICY

### PURPOSE

Students at Mount Waverley North Primary School will perform in various fields to a high level and be invited to represent our school at a State, National or International level of competition. The involvement of students in these activities is at their families' expense and often involves travelling interstate to compete and purchasing a team uniform. As a representative of our school community School Council can offer financial support to enable all students the opportunity to participate.

### OBJECTIVE

To provide financial support to students representing Mount Waverley North Primary School, at a State, National or International level.

### IMPLEMENTATION

- Only students currently enrolled student at MWNPS are eligible to apply for sponsorship.
- If the student is a member of a sporting team, the competition must be affiliated with School Sports Victoria.
- If the student is representing our school in other areas of endeavour, the competition must be conducted by a Mount Waverley North Primary School approved and/or endorsed provider at the discretion of the Principal.
- The amount offered as sponsorship is at the discretion of School Council, and will not exceed \$250 per child/team.
- Each child can access sponsorship, regardless of the activity, once only per child or team in a calendar year.
- If a team applies, the amount will be evenly divided amongst the whole team.
- As a condition of receiving sponsorship, student name(s) and image(s) may be used for publicity.
- School Council may promote additional fundraising activities.

### EVALUATION

This policy will be reviewed in line with the school's Evaluation of Policies Timetable.

<b>Policy Approved by:</b>	Education Committee – School Council
<b>Effective Date:</b>	August 2018
<b>Review by Date:</b>	November 2022
